

CLUSTERING CONCLUSIONS-INSIGHTS:

- Cluster 0 :**
Area with some moderate occurrence of Banks (9%) in East York and Bakeries (6%) in Scarborough.
The concentration of Banks is due to the Financial District of Toronto in this cluster.
- Cluster 1 :**
Area with a high occurrence of Parks (20%) which is indeed the highest all-venue occurrence in Toronto;
These Parks are mainly located in the borough of York.
- Cluster 2 :**
Area with a high occurrence of Coffee Shops (40%) spreaded in 5 different boroughs;
